THAKUR SUKDEV BRAHAMACHARI
BIOCHEMIC MEDICAL COLLEGE & HOSPITAL
ADDRESS: ANANDALOK, POLICEPARA, GARIA, KOLKATA-700152, LANDMARK: NSEC COLLEGE

Photograph of Thakur
'Sri Sri Thakur Sukhdev Brahmachari'

ABOUT US:

The college is dedicated to the great spiritual personality **Sri Sri Thakur Sukhdev Brahmachari**, who founded more or less 15 ashrams in Purba Banga (now Bangladesh) and India where he dedicated his life to the students of the poorer section of the society of both countries for the past 100 years.

Though he is the great soul, Dharma guru but he sacrificed his whole life for the service of the illiterate, most financially backward people in scattered villages in Greater Bengal from Chittagong to Midnapur.

Dr. Asoke Kumar Pandey, a disciple of this Great Guru, he homaged this creation i.e. the college offered to His Holy name.

MISSION:

‘To serve the down drawn patient of the society.’

As a result, the Kind Govt. of West Bengal approved this College as per Rule West Bengal Societies Registration Act, 1961 (West Bengal Act XXVI, 1961, an act to declare AS institution as a national importance).

AIMS & OBJECTIVE:

As the only institution in Garia and in the surrounding neighbourhood for the advancement of higher education, the College aims to fulfil the objectives illustrated below:

- To run, maintain, manage and carry on the above Biochemic Medical Society for the benefit of the rural people.
- To establish and maintain general hospital, Mother & Child medical centre for the benefit of public.
- To arrange for treatment for the rural people on various diseases by the qualified and experienced Doctors, Nurses etc.
- To establish and maintain Research Centre on Medical Science to improve the medical treatment.
- To arrange and organize clinical laboratory, modern diagnosis, orphan healthcare unit, Health Development Unit etc. for the purpose of education and treatment of the people.
- To arrange for training on Nursing, Family Planning, Alternative Medical treatment, etc. among the interested persons.
- To open indoor and outdoor medical treatment centre specially for the rural people and to arrange for free food, medicines, etc. to the poor people.
- To organize an Ambulance for rendering services to the patients.
- To arrange and organize Optic Camp, Dental Camp, Ligation Camp etc. from time to time in the interest of public services.
- To arrange and organize lectures, debates, discussions or seminars on medical science for the diffusion of knowledge.
- To open various medical courses for the purpose of education to the students.

- To open and maintain Hostel. for the benefit of people.
- Affiliate itself with such other recognized institute, bodies, societies whose objects are fully or in part similar.
- To accept any gift, grant, donation, subscriptions or fee towards the raising any fund for the purpose of the society.
- To do all such other things as may be deemed incidental or conducive to the attainment of the foregoing objects.

The incomes and properties of the society whatsoever derived or obtained shall be applied solely towards the promotion of the objects of the society and no portion thereof shall be paid to or divided among any of its members by way of profits.

RULES & REGULATIONS:

DMBS

(Diploma in Bio-Chemic System of Medicine)

- a) The running duration, span of the DMBS Diploma Course is 3½ years.
- b) Minimum Qualification is Higher Secondary or Equivalent. Both Male and Female candidates are eligible for admission.
- c) Age: Not less than 18 years at the time of admission.
- d) New session commences from July to June, every year.
- e) Admission Test: Selection will be made according to written test examination & oral test.
- f) Qualifying test examination will be conducted by the College and Final Examination will be conducted by the Central Council. The Examination will be held one month prior to the commencement of the Final Examination.

HOSPITAL FACILITIES:

An Outdoor Department of the College where financially handicapped students and villagers can get treatment free of cost by competent physicians.

SUBJECTS:

1) Study & Examination for 1st Year DMBS Students:

Subjects	Written	Oral	Practical	Total
Anatomy	100	50	50	200
Physiology	100	50	50	200
Biochemistry	100	50	50	200
Pharmacy				
Bio-Philosophy & Biochemic Organon	100	50	-	150
Biochemic Materia Medica	100	50	-	150
Complex-Homoeo Materia Medica	100	50	-	150
(Homoeo Materia Medica)	-	-	-	-
Total				1250

2) Study & Examination for 2nd Year DMBS Students:

Subjects	Written	Oral	Practical	Total
Anatomy	100	50	50	200
Physiology	100	50	50	200
Pathology	100	50	50	200
Practice of Medicine	100	50	50	200
Biochemistry	100	50	50	200
Biochemic Materia Medica	100	50	-	150
Complex-Homoeo Materia Medica	100	50	-	150
(Homoeo Materia Medica)	-	-	-	-
Total				1300

3) Study & Examination for 3rd Year DMBS Students:

Subjects	Written	Oral	Practical	Total
Practice of Medicine	100	50	50	200
Surgery Medical Juries	100	50	50	200
Prudence & Toxicology	100	50	50	200
Gynaecology & Obstetrics	100	50	50	200
Prev. Social Medicine & Hygiene	100	50	50	200
Biochemic Materia Medica	100	50	-	150
Complex-Homoeo Materia Medica	100	50	-	150
(Homoeo Materia Medica)	-	-	-	-
Total				1400

4) FWT & PET with Internship:

Subjects	Written	Oral	Practical	Total
Gynaecology & Obstetrics	100	50	50	200
Surgery Medical Juries	100	50	50	200
Prudence & Toxicology	100	50	50	200
FWT (Family Planning)	100	50	50	200
PET (Public Health)	100	50	50	200
Total				1000

Pass Marks in all subjects will be 45% in each Examination area (written and Practical). After completion of the entire course for Three Years requisite certificates will be issued to candidates securing success in the final DMBS Examination by the Central Council of Biochemic & Complex Homoeo Medicine with Research in India.

COLLEGE ADMINISTRATION

FOUNDER DIRECTOR

of Mississippi & PHD., DMBS

Dr. Souvik Ghosh – DMBS

Dr. Priti Shaw – M. Sc, DMBS

Ar. (Dr.) Abanindranath Pandey - B. Arch, Sp. Retail Design, DMBS,
BMBS (Managing Director)

Dr. Arti Pandey – DMBS, BMBS, Ex-Deputy Secretary, Education,
A & N Administration (Treasurer)

BOOKLIST
for DMBS / BMBS Course

BioChemic :

1. Biochemic Comparative Materia Medica
- *Dr. Radha Raman Biswas*
2. The Twelve Tissue Remedies of Dr. Schuessler
- *William Boericke & Dewey*
3. Comparative Biochemic Materia Medica
- *Dr. Bijoy Bose*
4. Biochemic Chikitsa Bidhan
- *Dr. Samanta*
5. Biochemic System of Medicine
- *Dr. George, W. Carey*

Homoeopath :

6. Boericke's Materia Medica with Repertory
- *William Boericke (English & Bengali)*
7. Ausadh Parichaya
- *Dr. Narendra Nath Banerjee*
8. Essential of Clinical Medicine
- *Dr. S.P.Dey, Dr. S.P.Sen*
9. Surgery
- *A.K.Nan*
10. Practical Pathology
- *S. Bhattacharjee*
11. Dorland's Pocket Medical Dictionary
12. Gynaecology
- *Dr. C.S.Dwan*
13. Medical Biochemistry by any author

BOOKLIST
for DMBS / BMBS Course

Organon :

14. Organon of Medicine
- Dr. B.K. Sarkar
15. Organon
- G. Dhiringanghi
16. Biochemic organon & Biochemic Philosophy
- Dr. T.K.Bagchi & Dr.Moulik

Anatomy :

17. Anatomy
- Samar Mitra & Sahana
18. Anatomy & Physiology
- Dr. Ghosal or any author

Physiology :

19. Human Physiology
- Dr. CC Chatterjee or any author

Pharmacy :

20. A Treatise on Homoeopathic Pharmacy
- Dr. Banerjee & Sinha
21. Biochemic Pharmacopoeia of India (BPI)
- Dr. T.K.Bagchi

Complex Homoeo :

22. Complex Homoeo Materia Medica
- Dr. T.K.Bagchi & Dr. Pawel

Felicitation of Mrs. Manju Poddar, Vice President of Central Council of Bio-Chemic and Complex Homoeo with Research in India by Dr.Arati Pandey, Treasurer, with Prof. Dr. Purnima Rani Das Maity TSBB Medical College & Hospital

Felicitation of Dr. Aswini Kumar Pradhan, Vice Principal, TSBB College by Founder & Principal Dr. Asoke Kumar Pandey, TSBB Medical College & Hospital

(From top left clockwise): Students in College Classroom, appearing in DMBS & BMBS Examinations, Convocation Ceremony in TSBB Medical College.
